Subject: Withdrawal of objection to class action settlement

My name is [REDACTED], and I am writing to formally withdraw my objection to the proposed settlement in the class action lawsuit against Phil Hereema.

Previously, my objection was based on the lack of information regarding the number of class members, which made it impossible for me to assess the fairness of the settlement amount. However, with the release of the new affidavit that includes the number of class members along with other pertinent information, I am now able to understand how the settlement amount will be distributed.

Considering this new information, I am satisfied with the proposed settlement amount and no longer object to it. Thank you for addressing this concern and providing the necessary information.

Sincerely,

[REDACTED]
