Dear Counsel:

Re: N.B. v Philip Heerema and Calgary Stampede Foundation et al
Action No.: 1701 04755

Thank you for your letter of August 19 accompanying the Final Report in the above class action.

In response to your invitation in the last paragraph, nothing further is necessary for the Court arising from the information in para 13 of that Report.

I look forward to receiving the follow-up addendum and, provided it is acceptable, will consider this matter concluded.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. Jeffrey', followed by a period.
